

Dear Event Planner,

We're sending you this package to let you know about a great entertainment option for your next event. **The Fabulous Edsels** are a 7 piece 50's and 60's band that will have any group, young or old, rockin' to the oldies. With 3 costume changes, 6 vocalists, and extensive musical experience, we can provide you with a show that everyone will love.

Whether you want a fun and memorable experience or you just want to break away from the predictable DJ, **The Fabulous Edsels** know how to put on a show and draw in a crowd. We also have experience playing any size of event. From the Senators Bash which marked their entrance into the NHL or Riverfest in Brockville to more intimate banquets, weddings and private parties, we can play to any crowd. We also suit any occasion from 50's and 60's theme nights where everyone can dress up to a formal affair where a suit and tie might be more appropriate.

Whatever the event, we can provide your guests with a time they won't soon forget. Professional, fun, experienced, and unique – you need **The Fabulous Edsels** for your next occasion! In this package we've provided you with our song list, a list of some of the places we've played in the past, and some promotional material. If you have any questions, would like to book an event, or would like a copy of our demo CD please don't hesitate to contact:
